

NCAG WOMEN

Touch the World 2021

The Inspire Project is a Christian women's movement based in Vienna, Austria led by missionary Melinda Henderson. She and her team design women's ministry events across major cities in Europe. From conferences to house viewing parties to women's teas, these events are connecting women from all generations, nations, and socioeconomic levels. Many scholars have deemed Europe post-Christian. Yet, Inspire is leading women to Christ in these central hubs where people from all nations live and work. Let's help Inspire our sisters!

COMPACT FAMILY SERVICES

This Christ centered ministry located in Hot Springs, Arkansas, exists to redeem vulnerable children & families through compassionate action to the glory of God. Our giving will help further furnish the new Developmental Disabilities Services Program. This program serves children and adolescents in the foster care system who have developmental disabilities & who have been removed from abusive & neglectful circumstances. Compact provides the love of Christ through a sensory rich environment to captivate their minds & meet their sensory needs in order for them to learn, grow & contribute. Our giving will provide love and care for some of the most vulnerable children in society.

NCAG WORLD MISSIONARIES HOUSING

Our giving helps our missionaries purchase furnishings, appliances, and essentials to make their houses overseas a home. In 2021 we will support:

- Moon & Lindsay Choi, The Philippines
- Scott & Cathy Miller, Germany
- Galen & Dickie Hertweck, The Philippines

NCAG MINISTERS' WIDOWS & EMERGENCY FUND

The Biblical mandate to care for widows is clear. In loving obedience, we provide encouraging cards & financial gifts to over 55 widows on special occasions throughout the year. The Bible further instructs us to honor our spiritual leaders. We established an emergency fund for pastors' families in times of crisis. Even with insurance, the bills can seem insurmountable. Our faithfulness will bless and honor NCAG ministers & their families.
